### **GLASS ON GLASS MOSAIC**

This 6 hour class (two separate days) will cover all the basic information that you will need to complete at least one large or two to three small projects. This class is for beginning students who want to learn the process of a mosaic piece; cutting, adhesion, (stained glass) tile layout, and grouting. Students will complete a mosaic glass piece and most of all introduce them to the beautiful possibilities of mosaic art. You will be thrilled with your art! The second class will be for cleaning and grouting your work.

Fee: \$125 supplies included.  
3 hours - Mosaic  
3 hours - Grouting Lab

### **ADDRESS SIGNAGE**

Students will learn the basic mosaic skills. This project makes a great gift or home accents. Come prepared with an idea to make the most of your time. This is a 6 hour class, (two separate days). Second day will be for cleaning, grouting and framing your work.

The class now is including a metal frame for your work.  
Fee: \$125 supplies included.  
3 hours - Mosaic  
3 hours - Grouting Lab

### **FUSED GLASS CABOCHONS**

Participants will learn how to make colorful and vibrant **cabochons\***, or glass inclusions, for use in their mosaic work or to actually wear as jewelry. Each student will create 5-7 pieces that will be fired and delivered back to the studio for pick up.

No experience necessary.  
Just have fun!

Fee: \$55 supplies provided  
2 hours

### **BASIC ASSEMBLY FOR CABOCHONS - NEW!**

Students learn the basic steps of assembling your necklace or bracelet. Learn how to drill holes, glue bails, what tools to use to engrave your name and where to find all these neat things. Some wiring techniques will be discussed and demonstrated. This class will introduce you to a whole new world of fun!

Fee: \$35 some supplies provided

**HOPE TO SEE YOU SOON!**
